

## Resuscitation and ALERT Education Information for EXTERNAL Participants 2024

---

The Clinical Training Unit is no longer able to provide Resuscitation Education or ALERT courses for healthcare workers outside of Te Whatu Ora Capital, Coast and Hutt Valley.

---

There are private providers who may be able to assist you to access the learning you need.

Below are some options – this is not an exhaustive list.

**Wellington Free Ambulance:** BLS and BLS for vaccinators <https://www.wfa.org.nz>

**Total Resus:** BLS, BLS for Vaccinators, NZRC CORE Advanced, NZRC CORE Immediate, Newborn Life Support, ALERT <https://www.totalresus.com>

**EMCARE:** BLS, BLS for vaccinators, NZRC CORE Advanced <https://www.emcare.co.nz>

**Triple One Care:** BLS, BLS for vaccinators, NZRC CORE Advanced, NZRC CORE Immediate <https://www.tripleonecare.nz/>

**Hato Hone St John:** BLS, BLS for vaccinators, NZRC CORE Immediate equivalent, <https://www.stjohn.org.nz>
