PDRP Workshop

Learning outcomes:

This 2 hour Professional Development and Recognition Programme (PDRP) workshop can support you with:

- PDRP basics: what you need to know about completing your portfolio.
- Writing your self-assessment against the NCNZ Competencies
- Using the ePortfolio

The Peer/portfolio workshops will refresh your knowledge of

- Writing senior/peer assessments for your colleagues
- Assessing portfolios

Instructions:

- Please attend a session appropriate to the level of PDRP you are completing or the "Peer & Portfolio assessors" if you are completing peer and/or portfolio assessments.
- *If you need hands-on computer support to use the ePortfolio, please come along to one of the ePortfolio sessions held in the computer room.
- You are welcome to bring your own device to these workshops. However you are responsible for its connection to internet. Please ensure you know your user name and password for Ko Awatea (e-learning).
- Please familiarise yourself with the PDRP Handbook before attending a workshop.
