The first page of these instructions is a reminder of how to get to your ePortfolio. If you are familiar with this please go to page 2.

Accessing eLearning and the ePortfolio

Please use Google Chrome to access your portfolio.

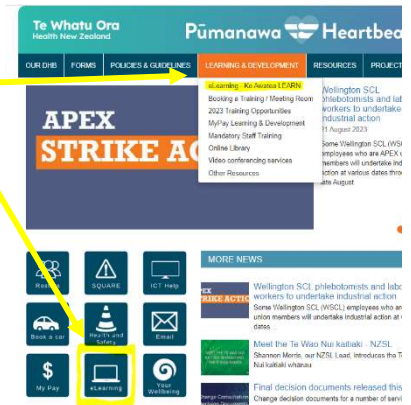

Other browsers including Microsoft's Internet Explorer or Edge are not currently compatible.

The ePortfolio is accessed through the Hutt Valley eLearning site, Ko Awatea. There is no separate login.

Step 1:

From the Hutt Valley intranet page, navigate to **Ko Awatea LEARN**. See image (right) for guidance. You can use either option highlighted in yellow.

Then select the Ko Awatea LEARN elearning logo.

Alternatively, and if logging in from a home

computer, you can use the following web address: <https://koawatealearn.co.nz/>

Step 2:

Login using your Ko Awatea username and password.

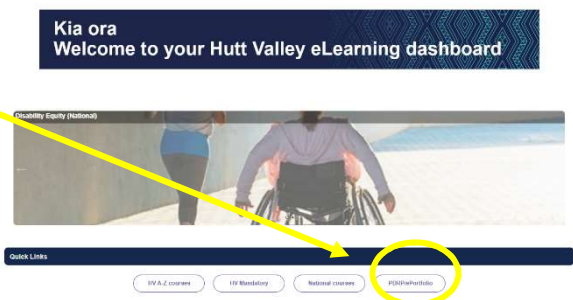

If you have forgotten your password then please use the "forgotten password" link.

For any other login difficulties please contact the elearning Coordinator for assistance, training@huttvalleydhb.org.nz including Ko Awatea in the subject title.

Step 3:

Select the PDRP/ePortfolio button under Quick Links.

Note: If this is the first time you are using the ePortfolio the next screen will ask you to enrol in the course. Select the enrol button when prompted.

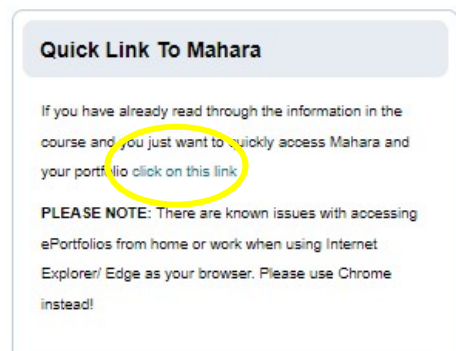

Step 4:

Welcome to the gateway.

If this is your first time accessing the ePortfolio, we recommend you read through the guides for completion of an ePortfolio under the heading **Creating your ePortfolio**.

To move through the gateway to your ePortfolio homepage please select the link under **Quick Link to Mahara** on the left of your screen as shown in the image (right).

How to upload documents to your ePortfolio

Step 5: Access your portfolio:

Under 'My portfolios' you should see the portfolio you created earlier. Select the desired portfolio to enter

Step 6:

Before you get started uploading documents we strongly recommend gathering the required evidence and saving this onto a memory stick or onto the Desktop on your computer. Make sure you are logged in as yourself when you do this. This makes uploading the files much easier and quicker.

The documents you will need for this are:

- Evidence of 60 hours professional development over the last 3 years -
- Evidence of 450 hours of practice over the past 3 years –
- A copy of your NCNZ APC.
- A copy of your performance appraisal/ Mo Tātou from the last 12 months, signed and dated.
- *For Proficient, Expert, Accomplished and Designated Senior Nurse portfolios you'll need an up-to-date CV or resume.*

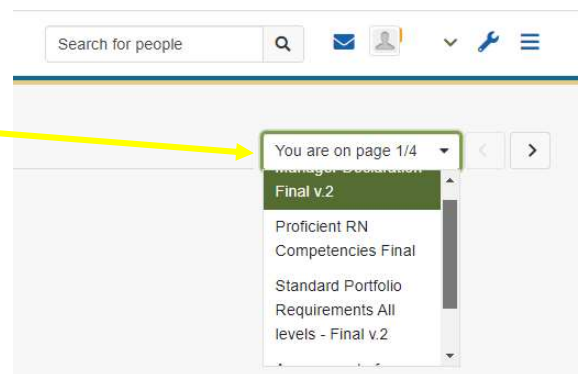

Please see the FAQ section at the end of this guide for help finding these documents.

Step 7: Adding evidence to Standard Portfolio requirements

Navigate to the appropriate page in your ePortfolio.

The performance appraisal or Mo Tātou is attached to page 1.

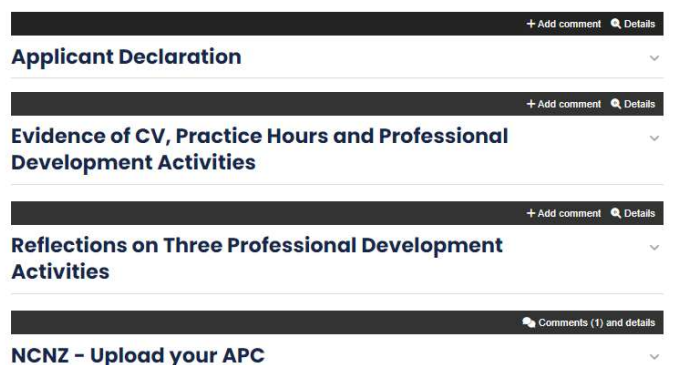

For most other evidence, navigate to the page called "Standard Portfolio Requirements" which is often, but not always, page 3.

Step 8:

Each section requires evidence to be attached. You can click anywhere on each section for further information and instructions.

Each section should also have a black line and the option to **"Add comment"**. If you cannot see **"Add comment"** then please see the FAQs at the end of this how-to guide before proceeding.

How to upload documents to your ePortfolio

Step 9:

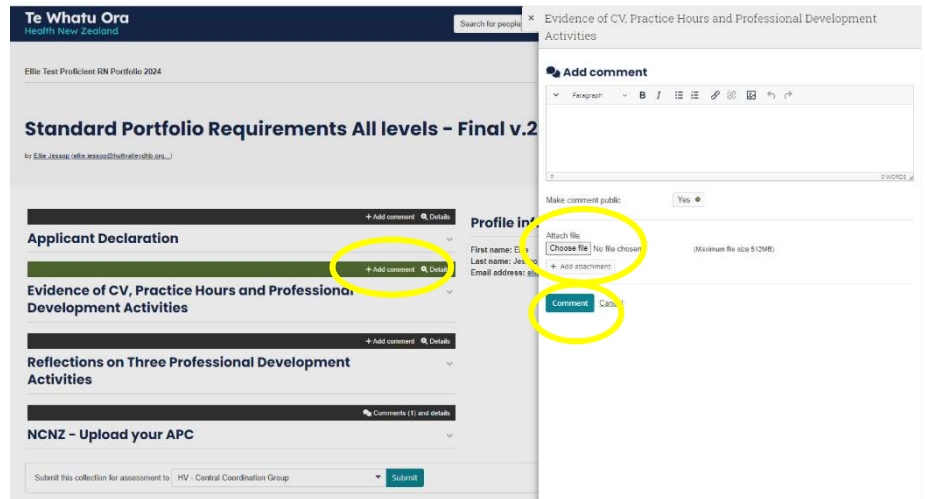

Select “**+Add Comment**” and a second screen will appear from the right as shown in the image (right).

Click “**Choose file**”, which will open a box for you to find your documents.

Select the document you wish to attach, and click “**open**”.

You’ll then see your file attached.

You can add another file here by selecting “**+Add attachment**”.

Once done, you must click the blue “Comment” button in order to save your work.

Note: On your screen you’ll notice it says “Make comment public” and the default answer is “yes”. Please leave it as yes. This will only be visible to people you share your portfolio with or to the assessors when your portfolio is being assessed.

Step 10:

You should now see that the button that previously said “+Add comment” has changed to “**Comments (1) and details**”, which means your document(s) have successfully uploaded.

FAQs:

I cannot see the “+Add comment” button – what do I do?

1. Ensure you are using Google Chrome internet browser when accessing the portfolio.
2. Select the magnifying glass icon in the top right corner of your screen as shown in the image below. The “+Add comments” button should now appear.

How do I upload my APC?

For help to find and save a copy of your APC please see *ePort12: How to add your APC*.

Where do I get my evidence of practice hours from?

Within Hutt hospital, CNM/Ls can pull a report from Trendcare. Some Nurse Educators can also do this. They can save it as a PDF for you to upload. If outside of Hutt hospital where Trendcare is not available a letter from your payroll or HR department signed, dated and indicating the exact number of hours in the last 3 year period is required. This will be need to be saved as a pdf and uploaded.

Where do I get my evidence of professional development hours from?

Within Hutt hospital, CNM/Ls can pull a report from My Pay and save it as a PDF for you to upload. Some Nurse Educators can also do this. If outside of Hutt Hospital where MyPay is not available, you will need to complete the Professional Development Hours template found on the PDRP website and ensure it is signed and dated by your manager. This will need to be saved as a PDF and uploaded.
