

## Speak Up – Safety Leadership!

### Learning outcomes:

This programme aims to support a safety culture in our organisation and is only available to Te Whatu Ora Capital, Coast and Hutt Valley staff.

### Content:

- Understand the importance of and challenges to speaking up in a healthcare environment
- Apply a graded assertiveness tool to a case study where harm may be about to occur
- Reflect on your readiness to use graded assertiveness to raise concerns in your workplace
- Understand where to seek assistance to support a safety culture in your workplace
